Dear Industry Members,

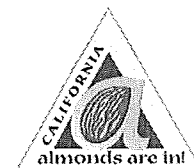

Attached you will find the Almond Board of California's Position Report for April 2003. I feel that it is necessary to advise you of an anomaly in the April report.

A few handlers discovered errors in their previous months' shipments reporting and they have made the proper corrections in their year-to-date numbers in their Form 25 reporting for April 2003.. A total of 7.5 million pounds of domestic shipments and 1.1 million pounds of export shipments were under reported in prior months of the current shipment year. April 2003's Position Report domestic and export shipment figures reflect those corrections.

Should you have any questions regarding the April 2003 Position Report, please do not hesitate to call Sue Olson (209) 343.3224 or me (209) 343.3215 at the Almond Board.

Sincerely,

Richard Waycott  
President & CEO
